Interview Questionnaire Artifact

Copyright: Henglong Dang 2026

Purpose: structured interview prompts for Eastside real estate professionals.

1. How frequently do clients discuss transaction taxes?
2. Do sellers consider REET when determining listing price?
3. How do buyers react to affordability pressures?
4. What market conditions currently concern clients?
5. Does Bellevue differ from nearby municipalities?
6. Are taxes more influential during market downturns?
7. What policy changes would you consider?

Notes:

- Participant names and client details are protected.
- Findings are summarized as patterns, not attributed quotes.
- The interview program supports civic research and public education.
